INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Martha Alexander, being duly sworn and examined,
deposes and says:

My name is Martha Alexander. I am 52 years old. I was born in Virginia, near Bristol. I claim Indian blood through my father. His name was Robert Viars. He is living in West Tennessee. (#33956). My father was born in Floyd Co., Va. He claims through his grandfather on his father's side, who was born in Va. They moved to Tenn. during the war. I heard that I had Indian blood ever since I can recollect. I do not remember the ancestor who was a full-blood Indian. I do not remember that anything was said as to what tribe of Indians we belonged. My father told me I had Cherokee Indian blood when I was young. He never lived with the Indians and I never lived with them. He never drew any Indian money to my knowledge and I never drew any Indian Money. We are recognized as white people. I never heard of Betty Lane. I never heard of a Betty Viar back of my time. My father is now living at Dyersburg, Tenn.

Dear Sir:- Since filing my claim for participation in the Indian fund I have made diligent inquiry in regards to my relationship to the Indians of the Eastern Cherokee. I can furnish a great deal better proof than is indicated in my application now on file. I find that my great grandfather's name was Garrett Hendrix and married a Roger. Before I was discharged from the Navy. Capt. Thomas of the Ticonderoga asked me about my Ancestry I told him all I could and he looked over the names enlisted and says. "You must be 1/3 Indian" My discharge shows my description to be Black brown hair Dark brown eyes. Dark complexion. Personally appeared before me J. J. [Name] Notary Public in and for the above named County and State, William F. Hampton of Virgil N.C. who being duly sworn deposes and says The reason his father Gilson Hendrix was not enrolled with the Eastern Cherokee in 1851, was that he preferred to submit to the laws at that time as a servant and reside here among his relatives and friends rather than go with the Indians. The affiant further declares it was for the reason above set forth that his grand father John Hendrix was not enrolled with said Cherokee tribe in 1835 and 1851. He further states that his father Gilson Hendrix was recognized by the Eastern Cherokee as belonging to that tribe as the Indians of said tribe always treated his father with great kindness, as they used to catch fish and give to him. The affiant further states that when a suit was pending in the U.S. Federal Court at Statesville, N.C. over the Strawberry claim, that he was at the Court, and two Indians that went by the names of Willie and Willis recognized him as belonging to the Eastern Cherokee and stayed over night with him in his camp. The affiant says. He does

not know whether or not his parents
or grand parents was ever admitted
to tribal councils. But he is satisfied
that his relatives did participate in
the payment to the Indians in
1851. And that he was never held

North Carolina }
Watauga County }

Personally appeared before me J. T. Watson
Notary Public for the above named County
and State, Jennie E. Triplett aged 79 years
a resident of Mt. Zion N. C. who being
duly sworn deposes and says that she
was personally acquainted with many
of the Hendrix family, that she had
often heard about Garrett Hendrix
who lived near the Yadkin river
in Wilkes County, that one of his
sons was named Carry Hendrix.
Also he raised a daughter named Leah
who married Moses Waters. Said Waters
belonged to a sect of people called the
Irish. And it had always been
said that he was found when a small
infant by the rivers side not knowing
who his parents was. Some one
probably Thomas Farmer or Maston Welch
reared him up. If she had ever heard
any thing concerning Carry Hendrix
she had forgotten it.

William F. Hamsten,
Virgil, N.C.

Sir:-

You claim a right to participate in the distribution of the Eastern Cherokee fund through your parents, who you state lived in Wilkes County, N.C. in 1831. Why were they not enrolled with the Eastern Cherokees at that time?

Why were your grandparents, who you state lived in Irwin County, N.C., not enrolled in 1831 and 1835?

Were your parents or grandparents recognized by the Eastern Cherokees as members of that tribe? Were they admitted to tribal councils?

Did any of your immediate relatives participate in the sale of the Indians in 1831?

Were you held as a slave? If so, were you owned by white people or Indians?

Respectfully,

Special Commissioner.

Tellico Plains, Tenn,

May - 11 - 1900.

Mr Guin Miller

Washington, D. C.

Dear Sir:

Yours of the 7th
to hand, and I will say that
one of the main reasons that
my parents were ^{not} enrolled
in 1801 was that they were
only descendants of the Indians
I have no reason for my
grandparents not being enrolled
only the same reason that my
parents were not, and that
they didn't want to be removed

from their country.

Will say that some of my
ancestors were recognized
as members of the tribe.
My great great grandmother
Mrs Harry Hall was a daughter
of the famous chief Parshatan.

None of my relations shared
in the payment of the Indians
in 1851.

Neither my parents or grandparents
were ever held as slaves.

Respt.

Minnie Copping,

May 7, 1908.

Dear Sir,

Winnifred Copeland,
Watauga Plains, Tenn.

Dear Sir:-

You claim a right to participate in the distribution of the Eastern Cherokee fund through your parents, John and Sarah Payne, who you state lived in Tennessee in 1831. Why were they not enrolled with the Eastern Cherokees at that time?

State why your grandparents, John and Mary Payne, were not enrolled with the Eastern Cherokees in 1831 and 1835.

Were any of your ancestors recognized by the Cherokee Indians as members of the tribe and they admitted to tribal councils?

Did any of your relatives appear in the payment to the Indians in 1831? If so, list their names.

Were your parents or grandparents held as slaves? If so, were they owned by white people or Indians?

Respectfully,

Special Agent in Charge.

To the Clerk of the Court of Claims

Dear Sir

In reference to the letter we received from you about our participation in the fund arising from the judgment of the Court of Claims of May 28, 1908 in favor of the Eastern Cherokee. I really do not know what other information I can give you. As most all the people that were living there are dead now of our neighborhood. All the information that I was able to get together is in our applications we filed. But I will tell you this and can prove it that there are people

living on their land now in
the Indian Territory that use
the same ^{kind} deed that we filed
with you. They formed a settlement
called the Hubbard settlement.
My mother's grand mother and my
great-grand-mother through whom
we are descendants was born
sometime in 1780 or 90 and her oldest
child was born on June 3, 1811 so
therefor we cannot say exactly
when she was born or how
old she was in 1835 or 51.
He don't know all of her Indian name
as we have not a record of it, but
the first name is Flavannah.
She can be traced by the use
of our applications from
Missouri to North Carolina and

them into them.
~~If I knew~~
Her English name was
Aaron because she married
a man by the name of John
Aaron. I will close
yours Resp^d.

You will find that I have signed in the distribution of
the National Register of the Freedmen your name and grandparents,
who were the children of the late Mrs. Mary Ann Wood.
Why were they not included in the Eastern Cherokee list
of that time?

Why were your grandparents not enrolled with the Eastern

Were you a supposed descendant of the Cherokee as a matter
of the fact? If so, please advise so that I may be able to
assist you in your application for enrollment.

Do you or your relatives ever claim to be related to the
Cherokees? If so, give their names.

Were any of your ancestors held as slaves? If so,
were they owned by white people or Indians?

Sir:-

Replying to your letter of September 10, 1907, you are advised that your application for participation in the Eastern Cherokee fund has not been reached for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund.

As there are over 43,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Re. 54003.

May 7, 1908.

Mr. Allen,

101 Montgomery St.

Sir:-

You also right to participate in the distribution of
the land granted for the Eastern Cherokee Indians
in 1835, the year that occurred in South
Carolina. I am sure that you lived in South Carolina
in 1835.

Why were they not enrolled with the Eastern Cherokees
at that time?

Should they be enrolled with the Eastern Cherokees,
and if so, when and where should they be enrolled?

Should they be enrolled with the
Eastern Cherokees? Were they ever enrolled to
enroll? Were they recognized by the
Indian Bureau as being of the tribe?

If any of your relations were ever enrolled
in land or participated in any agent to the Cherokees,
give their names.

Were any of your relations ever slaves of Indians,
and if so, were they of white people or Indians?

Respectfully,

W. A. Allen

Special Commissioner.

Dear Sir:

You state that your grandfathers in the distribution of the land were not recognized by the Eastern Cherokee as your parents, who you state lived in Paul's County, Georgia in 1851. Why were they not enrolled with the Eastern Cherokee at that time?

State why your grandparents were not enrolled with the Eastern Cherokee.

Were your grandparents ever considered as slaves? If so, were they owned by white people or Indians?

Were your grandparents, who you state were born in South Carolina, ever recognized by the Eastern Cherokee as members of the tribe? Were they admitted to tribal council?

Respectfully,

Special Commissioner.

No. 34018

Action: Reject

Name Janc Allen and X children. Residence: Watson, Ga.

Reasons:

Applicant fails to establish any connection with Cherokee tribe. Ancestors through whom she claims do not appear on rolls. No evidence to show that ancestors were ever members of Cherokee tribe. Were not parties to Treaties of 1835, '36, and '46. Did not take part in tribal proceedings. The most potent factor in applicant's evidence is that "her father was a white man and had a black beard."

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state why your name does not appear on the Cherokee roll of 1851, and why the names of your parents do not appear on the rolls of 1835 and 1851. Explain this fully.

Were you ever held as a slave? Was either of your parents ever so held? If so, state whether you or they were owned by white people or Indians.

We note that in your application you give the name of your grandparents on your mother's side as Langley, while some of your children in their applications, claiming through you, give the name of their great grandparents (your grandparents) as Anglin. Which of these names is correct?

If any of your ancestors have ever been enrolled, they must have been enrolled under some other name than those given in your application. If you claim they were enrolled, kindly furnish us the names under which they were enrolled.

Give us all the information you can as to where your parents and grandparents lived and died.

my husband's parents Ben

that Ben Bowler was a
descendant of the Cherokee
Indian tribe through Peter
Bowler nee Blossom.

I am in my seventy fifth
year and we lived together 48
years also was raised up with
one another in the same
community.

And I have never heard
 of any Indian roll being
 made up around here. Make
 up the reason that my
 husband's ancestors or my
 husband were not enrolled
 in 1835-6 and ~~1831~~.

Now the Grand parents
 of John Bowler (Betsey
 Blossompane maiden and Ben
 Bowler lived in the seven-
 tenth century make is the
 reason that they were not
 enrolled. The uncles and
 aunts of John Bowler on
 his father's side were Joe

Judea Bowler a girl who
married Fessie Shropshire.
If Joe and Fessie were
ever married I dont know it
all Joe, Fessie, and Judea
Bowler is dead.

furthermore I do
know that my husband
John Bowler was part Indian
because I learned this before
we were married in 1855
and I lived with him long
enough to get acquainted with
his Indian ways he was really
never dressed up neat in his

This is to certify that I was personally acquainted with John Bowles all my life until his death in 1904, and I am now in my seventieth year.

I have often heard him say, and it has been years ago, that he was closely related to the Cherokee Indian tribe, his mother being a recognized Cherokee Indian woman. His father and mother was Ben Bowles and Polly Moral Bowles, and lived in the counties of Clarke, Oglethorpe and Green all of Georgia, and in 1851 he John Bowles lived in Oglethorpe County Georgia.

And I have often heard him say that his Grand mother was Betsy Bowles, and that Betsy Bowles maiden name was a Betsy Blossomgame, and a Cherokee Indian woman.

John Bowles disposition, and his features showed his relation to the Indians very plainly.

Mr. J. S. De Haven,
Washington, D. C.

Sir:-

You have mentioned this matter in your letter of 11th inst. claiming through Betty Blossom, and have shown some other application of John C. Howles, No. 31022. The rolls of 1850 and 1851 do not give the name of Betty Blossom or mention it, nor do I find the names of any of his other relatives as named in his application. Perhaps, I can still determine the exact client as to why the names of his relatives do not appear on the rolls, he may be able to supply additional proof of his claims as mentioned in the Eastern Starroll, Vol. 1.

Very respectfully,

Wm. S. De Haven, Jr.

State of Georgia County of Clark ss.

In the matter of the claim of Sarah Jane Carty, No. 34029, to share in the Eastern Cherokee fund.

ON THIS 4th day of April A. D. 1908, personally appeared before me, a J. B. Wingfield Ordinary in and for the aforesaid County, duly authorized to administer oaths,

Sarah Jane Carty age 42 years, a resident of Athens in the County of Clark and State of Georgia.

well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows:

My great grandfather, Ben Bowles, Sr. was a white man and
[Note.—Affiants should state how they gain a knowledge of the facts to which they testify.]
came originally from Virginia. He settled in Green Co. Ga. and
married Betsy Blossomgane who was a full blood Cherokee Indian
woman. Their son, Ben Bowles Jr., my grandfather, married Polly
Moore a white woman, and their son John Bowles, my father, mar-
ried Sylvian Wilkes, a white woman. There is no negro blood in
my family on either side. The only Indian name in the family
I ever heard of was that of my great grandmother Betsy Blossom-
gane. My great grandparents could not have been enrolled in
1335-3 because they had died prior to that time. My grand father
Ben Bowles Jr. was living in Clark, Oglethorp, and Green Coun-
ties Ga. in 1335 and on up to some time in the 40's when he went
to Floyd Co. Ga. and died there, why he was not enrolled I can-
not state. My father, John Bowles was living in Green Co. Ga.
in 1335-6 and was living in Oglethorp Co. Ga. in 1351. He was
born, raised, and died within twenty-five miles of the same place
He died Dec. 25, 1904. I cannot state whether he was ever en-
rolled or not, and if not, I do not know the reason why. The
family have always been considered Eastern Cherokee Indians.

Her Post Office address is Athens, Clark Co. Ga. Route 3.
Neither declares that no interest in said case and not concerned in its prosecution.

Mr. Guion Miller,

Special Commissioner,

Washington D. C.

Dear Sir:-

Your letter of May 9th 1908, No. 34068, received several days ago and in reply will state:

In answer to, why my parents were not enrolled with the Eastern Cherokees in 1851?

My mother's maiden name, Laura Bunch, who is now 70 years of age, states that when she was very young, she and her mother were captured by the white people, in Culpepper county, Virginia, from their tribe, and carried into Caldwell county, North Carolina, and fell into the possession of people by the name of Jone's and afterwards fell in the possession of people by the name of Greear's, in Ashe County, N. C.

My father, William Anderson, who is now 69 years of age, states that he was captured from a tribe of Indian in Randolph county, Virginia, and carried into Gilford county, North Carolina, then into Caldwell county, N. C. and then into Ashe county, N. C. ; but he is unable to recall any circumstances connected with his capture.

I am unable to state reason why my grandparents were never enrolled with the Eastern Cherokees, unless by reason as stated above.

None of my immediate relatives ever shared in a payment to the Eastern Cherokees, that I know of.

My mother and grandmother claimed to have belonged to the Cherokees as members of the tribe.

My parents were held as slaves, they were owned by white people.

Yours truly,

Daisy Jordan

Lucy Wade,

Madam:-

Relative to your application for participation in the distribution of the Eastern Cherokee fund, kindly advise this office why you were not enrolled with the Eastern Cherokees in 1881.

Why were your parents never enrolled with the Eastern Cherokees?

Were you held as a slave? If so, were you owned by white people or Indians?

Did you and your parents ever live with the tribe of Eastern Cherokees as members of the tribe? Were you so recognized by the tribe? Were you admitted to tribal councils?

Respectfully,

Special Commissioner.

My name is Wm H. McShan, and I live in Collins, Ark. I am 41 years of age. I know Florence Skipper, who has just testified. She is my sister. I have heard her testimony, and I say that it is so far as I know substantially correct. I was with my father until I was 23 years old, and often heard him talk of his Indian blood. He always said that there was money coming to us that we would some day receive on account of his Indian connections. I never heard him mention getting any money from the government on account of his Indian blood. My father moved to this country at an early day and from the first established his Indian blood among the people of his community and there are 4 or 5 old people who would have come here today with us to testify in this respect if we had asked them to come. But I have come over 50 miles to give this testimony/ getting here at three A. M. and I did not like to ask these old folks to undertake such a laborious trip. Their names are Edward Bowden, Notary Public and a Civil War veteran, living at Collins. Also L. V. McCarty, Stephen Bullock, E. Courtney, all old people of the same place, who knew my father well in his lifetime. Cornelia Ross, #34086, who is now present is also my sister, and she knows these facts to which I have testified and Mrs. Skipper has testified the same as we do.

Florence Skipper.

#34035.

Florence Skipper being first duly sworn deposes and says:

My name is Florence Skipper, and I 62 years old. I live in Highlands, Ark. I claim my Indian ancestry (Cherokee) through my father, Wesley McChan. He has been dead five years. He died in ~~Ark.~~ Tyro, Ark. He was then in his 93rd year/. My father was born in Ky. Somewhere near Campbell's Station. He left Ky. when he was 11 years old. He went there to one of the Carolinas, and then went to Ala. From there to Miss. where he lived for about 10 years. From there he came to South east Ark. where he lived until his death. It was Green County, Ala where my father went after leaving the Carolinas. It was there he married my mother when he was 26 years of age. I think that my father was 1/8 Cherokee Indian. My father got his Indian blood through his mother, Francis Gilliam. She lived to be very old, and was always called Frankie. ~~She was born in 1827~~ She died in Green ~~Ala.~~ County, Ala. at the age of 84. She died in Aug. 1871. I think she was born in Ky. Francis Gilliam's mother, who would be my great grandmother, was 115 years old in 1857, but we lost sight of her after that and I do not know ~~when~~ she died. The last I know of my great grandmother she was living in one of the Carolinas, and owned slaves, and they say that when there was anything to do that she took a notion to do herself, she could just go out and do it herself. I have heard my father say many a time that this old lady who was his grandmother, was 1/2 Cherokee Indian. I have heard my father use the Indian language in calling different things. I never heard whether she ever got any money from the Government on account of her Indian blood. In fact I do not think Francis Gilliam ever got any money either. But two of my cousins did get money. They got their Indian blood through the same line as we do. My father's sister, Melissa Thomas nee McChan, who claimed her Indian blood through grandmother, Franckie Gilliam, and who has been dead for 30 years, left a number of children. And after her death these children received both land and money in the Indian Territory on account of their Cherokee blood, traced through their mother, and her mother Francis Gilliam. I think they received this money about Dec. 1894, and also money. I think John Wesley Thomas is the name of one of my cousins who got the land and money in the Indian Territory. I have often heard my father tell us that Francis Gilliam lived right among the Indians until she moved away from Ky. All my grandmothers had the Indian blood as did the white people.

No 34095

Action: *Reject*

Name *Jim Nelson* and *1* children. Residence: *Moore, Oklahoma*

Notified to appear for examination and filed 1. 11. 1905

Reasons: - Claimant born in 1841 claims Cherokee descent from Lucy Boyquet - a half blood who was his great great grandmother - who at the least calculation must have been living about 1762. Sam Ballou nor his ancestors back to Lucy Boyquet appear to have ever been enrolled among the Cherokees. Claimant himself was born in Tennessee quite removed from Chero. domain. In a letter of May 13-05 - addressed to the Commissioner in reply to a query as to why his parents were never enrolled, claimant says "Because they were not with the tribe at that time!" Claimant has lived in Chero. nation and was not enrolled by the Laws Commission and was not 18-75. NO evidence to connect these people either by descent or association with the east Cherokees at time of the treaty of 1835 or since.
